"TRO Temporary Restraining order"

Comes Now the Plaintiff, Jonathan Lee Riches©, crusader for truth, in pro-se, Moves this Honorable court to issue a TRO Temporarary Restraining order Against Defendants Duncan and Parker players for the world champion San Antonio spurs forbidding them from harassing my life. Plaintiff seeks a declaratory Injunctive relief.

1

My Name is Jonathan Lee Riches. I'm serving 125 Months in Federal prison at FCI Williamsburg for Identity theft, wire tapping, and wire fraud.

2

I operated a company called Identity theft Inc out of Tampa florida in 2001 - through Feb 25th, 2003, the day I was incarcerated. Identity theft inc is still in operation this day under a Anonomous trust. We specialize in wire taps of celebrites and private investigations catering to wealthy clients.

3

we at Identity theft Inc has been under contract by NBA commissioner David Stern Since Nov. 10, 2002. This is a Yearly contract, valued at $685,000 a Year.

Dockets.Justia.com

Stern told us to watch the illegal Activites of Tim Duncan and Tony Parker for violations of NBA policy and laws of the United states. If we uncover anything wrong on Defendants, we are to report to Stern in New York. I went into Tim Duncans credit report at Equifax on Feb 10, 2003. I discovered he financed a 5 carat engagement ring from Gordons Jewelers for $45,000. I decided to wiretap Duncans Phone, I discovered that he was secretly having a Affair with his teammates wife Eva Longoria. Even today, Duncan is still sleeping with Eva Longoria behind Parkers back. On May 29, 2007 on Duncans Apple I-phone, Duncan was having Phone sex with Longoria, while Parker was in the next room sick with the Flu. Eva told duncan that she loves him. I also discovered during a Identity theft Inc wiretap on Feb 19, 2006, that Tim Duncan took Eva's virginaty during a trip to the virgin Islands

4

Stern hired me to hack into Parkers Motorolla Phone. I found Lindsay Lohans Text messages on April 10, 2007. Identity theft Inc also has a conversation of Parker bragging to Swoop doggy dog that Parker has Slept with more women then Wilt Chamberlin did behind Evas back. Parker was in discussions with Balco founder victor conte on oct 7, 2006, asking conte for performance enhancing drugs to use during the 2006-2007 NBA Season, because Parker Needed to buck up, he felt Small compared to other NBA Guards. victor conte gave Parker a 6 month Supply. This means that Parker cheated his NBA championship

5

Olympic Gold medal runner Marion Jones plead guilty for steroid use in federal court. Identity theft Inc has discovered through wiretaps on her phone that she is trying to get a reduced sentence with the Government. Before sentencing, she plans to implicate Tim Duncan and Tony Parker in illegal steroid use during the 2006-2007 NBA season. Defendants took steroids before every road game, so they can perform better against a tough road crowd. I compel this court to make Duncan and Parker provide Urine samples. Victor conte and Marion Jones both say Defendants did steroids.

Riches v. Duncan

TRO Temporary Restraining order

Identity theft Inc has discovered that Defendants bet on basketball games with NBA Ref Tim Donaghy during the 2006-2007 season against western conference Nuggets, Suns, and Lakers teams. NBA commissioner Knows this, but Stern needs Duncan and Parker in the League as squeeky clean to boost ratings. In return, Duncan and Parker must pay David Stern 10% of their salary as hush hush money for illegal Betting on NBA games, and illegal steroid use. On Sep 20th, 2007, Duncan and Parker found out I was hacking into their computers and Phones. They are Livid. I recieved constant threatening letters from Defendant. They are calling me a "Little skinny white Jew Boy". Parker threatens to turn me into a French Fry, he threatens to Kidnap me to France and through me off the Eiffel Tower. Duncan told me he is going to get and pay the biggest black guys at FCI williamsburg to rip my head off and use it as a basketball. I'm Scared. I was only doing my Job that David Stern hired me to. I move this Court to issue a TRO Temporary Restraining order forbidding Defendants from climbing over the fense at FCI williamsburg and hunting me down. I Know alot of secrets on Defendants. The National Enquirer and Star have been in touch. Defendant's can't have their stories out there and will do anything from whistleblowing on them. I move for relief under the whistle blowing act.

Respectfully submitted
